R. A. Falconer Esq.
Pres. Toronto University

Dear Sir

I see by "the world" to-day that there is a scarcity of German teachers at the Toronto University. I beg therefore to offer my services as I am a thoro scholar in German language and literature having command of 4 or five more modern languages. I am a graduate of Copenhagen University holding among other degrees cand. jur. utr cum laude. 89 & cand phil. 83.

I offered my services to the C. O. of the 97th Regt as interpreter in the field and my services were accepted but when I came to Toronto my linguistic abilities have been rather overlooked and as I will not accept neglect, I will demand my discharge soon if I can be of service other where.

I have been living for some time in Germany and have relatives there (Schleswig Holstein)

I have been living here in Canada for 15 years, am naturalized Canadian and have practiced as civil and mining engineer.

I may remark that my name is S. Lawrence Lasfen but here in America I have dropped Lasfen and is known as S. Lawrence.

I am at present stopping at the Iroquois Hotel and should be pleased to hear from you, that my services would be needed.

I am Sir

Yours very truly
Lawrence.
